Introduction

Metacubez is a platform that aims to use metaverse to establish a new way for its users to interact, entertain and gain cash-on-hand with. This comes as part of several researches done to social media and other media and we came to revolutionize social media concept. From only entertainment and centralized platforms to decentralized and gaining money through interacting with other users.

MetaCubez.io

Our Mission

Evolving the way the world moves. By seamlessly connecting users to Cubez through our Platform, we make cities and interaction more

100%
Committed

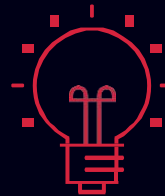

Our Vision

To Build an extraordinary metaverse for Business ideas and individuals that they will use and earn money from.

We vision a world full of originality and creativity Within each avatar.

Company Values

MetaCubeZ.io

Integrity

Acting with firm ethics is a priority for everyone portraying the organization as well as the company's behaviour as a whole.

Teamwork

When people work together, they can create something greater than themselves as individuals. That's why we believe in the worth of each and everyone in our team.

Honesty

It's not just the best policy. It's a core business method to act in a transparent, trustworthy manner that earns the respect of colleagues, users, and the public.

Innovation

It's what allows us to learn, and from it, we iterate, adapt and generate new ideas. We believe in a Bright Future

MCUBEZ Tokenomics

Our Roadmap

Competitors

We stand out from the crowd by our services provided by MetaCubez. Most of our Competitors has:

- ✓ Centralized platform
- ✓ Buying and selling lands only
- ✓ Only for entertainment

Competitive Advantages

We Have Two Verified
Licenses from two countries.

MetaCubeZ users can use
social media inside the
metaverse.

We managed to connect
entertainment and business
at the same platform.

Our Service

Buy

once you buy a cube, the ownership of that cube will be transferred and sent to your wallet, this cube will be owned by the user with all its history

Sell

You can raise auctions or ask for a specific price for your cube and then you can sell it with more profit

Rent

You can rent your cube if it has a good location or gets more traffic, Renting is a smart way for earning money without losing the ownership

Promote

You can promote your service or your product through your cube. Promoting ensures exposure and reaching wider customers.

Interact

Interact with other users and other cubez using different tools in the metaverse. Interaction Means connection

Buisness

You can run your business from the metaverse through AR/VR and earn money from it. Business. corporates has plus features.

Contact Us

You can always reach us through our E-mail and one of our team will reply as soon as possible
